Skyterra Wellness Retreat Named Tripadvisor Travelers' Choice Award Winner for 2025
Numerous five-star guest reviews recognize Skyterra as a top rated destination

PISGAH FOREST, N.C. (MAY 8, 2025) – Skyterra Wellness Retreat is pleased to announce that once again, it has been recognized by Tripadvisor as a Travelers' Choice award winner for 2025.

This coveted award celebrates businesses that have consistently received outstanding traveler reviews on Tripadvisor over the last 12 months, placing winners like Skyterra among the 10 percent of all listings on Tripadvisor globally.

This award is based on genuine feedback from guests who have visited and left an authentic, first-hand review on Tripadvisor, the world's largest travel guidance platform, making it a valuable and trustworthy designation of exceptional places to visit.

"It's incredibly heartwarming to receive the 2025 TripAdvisor Travelers' Choice Award," said Teresa Ostler, Skyterra's General Manager. "We are so grateful for the many thoughtful guests who took the time to leave us such uplifting feedback about their stay. This recognition reaffirms our commitment to providing our guests with five-star experiences. Thank you to our beloved guests and team for your unique roles in our success."

In addition to the Travelers' Choice Award, *USA Today* named Skyterra as the top wellness retreat in the nation in 2019, 2023 and 2024.

"Congratulations to Skyterra Wellness Retreat on its recognition in Tripadvisor's Travelers' Choice Awards for 2025," said Kristen Dalton, President, Tripadvisor. "Ranking among the top percentage of businesses globally means you have made such a memorable impact on your

visitors that many of them took time to go online and leave a glowing review about their experience. We hope this recognition continues to drive business to you in 2025 and beyond.”

Skyterra Wellness opened in June 2016 as a holistic health and wellness retreat committed to helping its guests gain the skills and mindset to live a healthy life. As the retreat’s reputation continues to grow, Skyterra remains committed to cultivating an intimate, tailored experience for each guest, maintaining the world-class qualities that many have come to know and love.

A team of attentive wellness experts help guests break the cycle of old habits; jump-start positive, sustainable change; and revitalize their lifestyles. Regular aspects of the program offered include fitness classes of a wide variety of modalities, sleep and stress management counseling, nutrition education, culinary demonstrations, recreation activities, and more. Spa services, individualized sessions, and other enhancements are also available. Skyterra Young Adult, a separate campus serving adults ages 18-29, offers therapeutic wellness in a supportive environment. More information is available at **skyterrawellness.com**.
